The 3rd Commandment:

"Remember the Sabbath day, and keep it holy".

This confirmation year begins with a study of the 10 Commandments. The first four commandments show us how to show love to God. The objectives of this session are to learn the Third Commandment, be thankful for the opportunity God give us to worship, and demonstrate that we are willing to make worship a priority in our lives.

Students ask Parents:

Tell me about a time you were really tired and then a time you felt very rested and energized.

What are ways we can keep the Sabbath holy?

Worship is a time to give God thanks and praise. It is also a time to us to gain strength to live as faithful servants of God. It is important to be a participant in worship and not just sit idly. What ways can you participate more in worship?
